Thanks to Colleen for your putting this draft of OW roles and inviting the One-EPA submission. As I mentioned, Jennifer and I spoke this morning and rounded out the list with ORD staff other than those identified by Susan.

Subject: Action Items: Contaminants of Emerging Concern

Dear Task Force,

We had a great meeting on Friday and went over for almost 3 hours over a first cut work-plan. We are excited to get started , and here are some key action items for you.

1. We will collaborate using [Max.gov](#). For those of you not familiar with it, it is a Federal version of google docs developed by OMB. To use it, please go to the link and register. Once you are registered email me and I will give you permissions, and provide you with an URL of where we will keep all our collaboration materials.

2. [Ex. 5 Deliberative Process (DP)]

3. Use this attached document to volunteer for the sections that you will lead. Email Cassidy Pomeroy [Ex. 6 Personal Privacy (PP)] your interests as a lead or principal contributor. You may nominate extended subject matter contributors to support in any of the sections. Could you please volunteer for the sections you would like to develop NLT May 24. If you nominate extended experts to assist we would appreciate their commitment NLT May 31.

4. [Ex. 5 Deliberative Process (DP)]

5. [Ex. 5 Deliberative Process (DP)]
[Ex. 5 Deliberative Process (DP)] am happy to try provide ground cover where I can, and talk with your supervisors.
